

IMPORTANT

Truck Delivery Information

All tanks come on a 19m long, 3m wide truck and trailer. If 19m is too long for a driver to access the property you will need to advise Tankworld the delivery will need to be Truck Only, the truck itself is 10m long. **Please note** 30,000L & 45,400L Tanks can only be transported on the trailer.

For size reference this is how our trucks look fully loaded.

People Required to assist the driver unload tanks.

- 1 Person – 660L, 900L, 1000L, 1200L, 2100L, 2250L, 2275L, 3300L, 3600L, 4500L, 5000L.
- 2 People – 2000L & 3000L Slimline Tanks.
- 3 People – 5000 Slimline, 10,000L, 15,000L, 22,700L, 23,650L.
- 4 People – 30,000L, 45,400L. **Trailer Only**
- The Downunder requires a forklift or crane.

Wet Conditions

It is the customer's responsibility to call Tankworld if the property may become inaccessible due to wet weather. If a truck gets bogged on the customer's property, **the customer will be billed a fee** to cover the cost of getting the truck out.
